

I am writing to let you know about how important K-Love radio station is to me here in Lubbock, TX (FM 90.9). It provides the encouragement and positive attitude that helps keep us focused on the most important things in life. If K-Love gets displaced by an LPFM broadcaster providing other programming, Lubbock area citizens will lose the family-safe songs and encouragement we hear from K-Love. The service provided by K-Love is in the public interest because citizens need to hear the encouragement provided and to be able to listen to the station without having to worry about our kids hearing profanity from the songs/disc jockeys or hearing songs about sex or violence. Thank you for hearing my comments, and I hope that K-Love will not be pushed off the air by an LPFM station.
